Policy Regarding the Disbursement of ACS-GHS Scholarship Awards

Scholarship funds will be paid directly to the Financial Aid Office of the student's college or university, once registered. Award funds will not be paid directly to the student and cannot be used for other educational purposes. Award disbursement may be delayed to later years of a student's program if necessary.

To claim your scholarship disbursement, please email acs-ghs@acs-ghs.org with the following information:

- Your name and student number
- The name of your school
- The address of your school's Financial Aid Office
- Any specific payment instructions from your school

This information will be shared with our section Treasurer who will verify your award and the corresponding amount in our records. Once your scholarship has been verified, the Treasurer will send the award check directly to your college to be applied to your account.
